

EI's Adult Camp at the Horse Park

April 27-30, 2023

Washington State Horse Park - Cle Elum, WA

What's special about EI Adult Camp?

EI Camp takes a multidisciplinary approach using dressage, working equitation, and jumping to improve connectivity, balance and movement between horse and rider.

Our focus is on building community and supporting participants in identifying goals and trying new things. If you want to push yourself a little further or try something new in a safe, supportive, non-competitive space – this is the camp for you!

What does camp include?

Formal activities: participants select 4 activities they want to participate in over the 3 days of camp. Activities include dressage (lessons, ride & review, cavaletti, pas de deux, prix caprilli), working equitation, & jumping (stadium/xc)

Informal activities: potlucks, socializing, and trail rides

Who are the instructors and what are the activities?

Chris Jonason: Working equitation & trail obstacles

Asia Thayer: Stadium jumping & Cross country jumping

Liz Tukey: Dressage lessons and Ride and Review

Debbie Dewitt: Dressage lessons, cavaletti, prix caprilli, pas de deux
