

## **EI Dressage Scribing Clinics 2025**

Attend one of two EI Scribing Clinics this spring to learn (or refresh) how to scribe. We teach the paperless, online system, which many shows in the region are adopting. Both clinics will be held in-person at home of EI members to add some fun and comradery.

**Judge Jo Renn** will lead you through the scribing process and cover the responsibilities of scribing, scoring, common abbreviations, and errors. The session will include practice scribing using paper score sheets, and hearing what a judge is looking for as she/he judges the movements.

**Anne Bartlett, EI's show secretary and online paperless scoring system expert**, will guide you through the process of computer scoring and familiarize you with the ins and outs of scribing electronically. Participants will have the opportunity to practice scribing on EI laptops.

- **Sunday, May 4, Gig Harbor, WA, at the home of Anne Bartlett**
